

Microphone Charging Dock

AW315C (Designed specifically for AW313T)

Features

- Simultaneous Dual Charging
- Mic Rack & Easy Storage
- Wall-Mountable

Introduction

Simultaneous Dual Charging

Insert your Smart Microphone (AW313T) into a socket to start charging. Supports up to 2 Smart Microphones.

Mic Rack and Easy Storage

With the compact design, it takes up minimal space and in addition to the charging function, it can also be used as a microphone stand.

Wall-Mountable

You can secure or hang the AW315C charging dock against a wall or cabinet with its mounting-hole design.
