## STREAM 2 VICTORY

**AVerMedia Live Gamer Portable 2 (GC510)** is a USB 2.0 plug and play capture card that captures your gameplay at up to 1080p60. It works out of the box without the need of driver download or installation. LGP 2 operates with or without a PC, you'll never be restricted by the environment and miss another epic moment. LGP 2 also supports your 4-pole 3.5 mm headsets for commentary, even in PC-Free mode, or for monitoring the audio balance. You can easily capture your party chat via the same headset with the Console Party Link. Lastly, the native support for mainstream software makes LGP 2 the most user-friendly capture card, for beginners and experienced streamers alike.
