

SHARE YOUR MOMENTS

AVerMedia Live Streamer CAM 313 (PW313) is a plug and play USB webcam that records in 1080p30 for podcasting, streaming, and gaming. PW313 comes with 2 built-in microphones (mono) and a flexible, 360-degree swivel design. It also has a privacy shutter to protect your security. When your PW313 is coupled with CamEngine software, you'll be able to use advanced features like camera effects, filters, and more.
